

UNLOCKING 100,000 SQFT OF COMFORT:

This insulation donation initiative marks a special celebration of PGF Insulation's 40th anniversary in 2024, with a dedicated mission to create a meaningful impact in our community and beyond. As part of this celebration, our program will be giving away a total of 100,000 square feet of our Ecowool insulation products. We are committed to supporting projects that align with our vision and mission, focusing on enhancing the comfort and safety of our local community.

If you have a non-profit organization building that you believe could benefit from our Ecowool insulation solutions, we invite you to join our program!

TERMS AND CONDITIONS

These terms and conditions are applicable to the donation of insulation materials by PGF Insulation Sdn Bhd hereinafter referred to as "the Donor" or "PGF Insulation," to non-profit organizations, hereinafter referred to as "the Recipient" or "Applicant." By applying for this donation, the Applicant acknowledges and agrees to comply with the following terms and conditions:

1. DONATION LIMITATION:

PGF Insulation will allocate up to 10,000 square feet of insulation products per donation to each non-profit building project. Please note that each applicant is eligible for one donation only.

2. SUPPLY OF MATERIALS:

PGF Insulation's donation exclusively includes the supply of insulation materials only. It does not encompass installation and transportation costs incurred for product delivery to site. The specification of these insulation products such as the thickness and density will be decided by PGF Insulation based on the application of the products.

3. APPLICATION REQUIREMENTS:

Applicants must furnish essential project details including:

- the project background and location
- comprehensive building information including architectural drawings and any necessary authority approvals.

Please note that all applications for this donation program will be reviewed and subject to approval by PGF Insulation.

4. ACCESS TO INSTALLATION SITE:

PGF Insulation reserves the right to access the installation site during the insulation installation process, if required, and may request photographic or video documentation as part of the donation record-keeping process.

5. DOCUMENTATION AND REPORTING:

Applicants are required to submit the completed application form and provide photographic and/or video documentation of the insulation and the building, both during and after the installation process.

6. OFFER VALIDITY:

This donation offer is valid for building projects taking place from January 1, 2024, to December 31, 2024.
